

PDC CLASSES FOR TOTS!

MORNING & AFTERNOON CLASSES!

WIGGLES-N-GIGGLES

One of our goals with Wiggles-n-Giggles is to release energy and enjoy time with your child. This class incorporates inter-active gross motor skill activities in which you and your child will explore different stations of movement. He/she will be encouraged to climb, roll, hop, tumble, march, leap and jump. Many of these activities are supplemented with the use of props or equipment such as maracas, ribbons, mini trampoline, a low balance beam, a slide, hoops, bubbles, beanie babies, tunnels and more!

Daycare & 2+

DANCING IS FUN

This is a non-recital, non-costume, six week session dance class that incorporates tap, ballet and tumbling skills. The curriculum is designed to be fun, exciting, and appropriate for each age level.

Classes available
for ages 2.5 - 6

PRESCHOOL

Our Preschool class is designed to instill in each child the love of movement through fun, age-appropriate music and props. Besides pre-ballet and tumbling skills, tap is introduced for the first time.

Ages 3-4

CREATIVE MOVEMENT

Creative Movement is designed for the independent child, and is usually their first introduction to dance movement. One of our goals is to let the child feel comfortable upon entering the studio which will be a brand new environment to them. This will be exercised through the use of props such as ribbons, butterfly wings, flowers, maracas, pom-poms and more. In addition, the students learn spatial awareness, cooperation, how to take turns, and confidence.

Ages 2.5 - 3.5
